Environmental commitment

The environmental commitment Porcelanosa has shown towards its immediate surroundings and the environment as a whole has characterised the company since its origins is clearly reflected by ECOTECH.

ECOTECH is a collection of environmental ideas and initiatives, including substantial yearly investment into systems for recycling water, waste re-use, environmental protection and energy saving and it is a ISO 14001 certified environmental management system.

PORCELANOSA S.A. reserves the right to modify or discontinue designs displayed in this catalogue. Colours shown may be at variance to actual product due to the printing process
