

CEMENT AND CONCRETE

INTERSEKT

Intersekt is a home décor boutique offering high-quality premium products including floor & wall coverings and bathroom & wellness products.

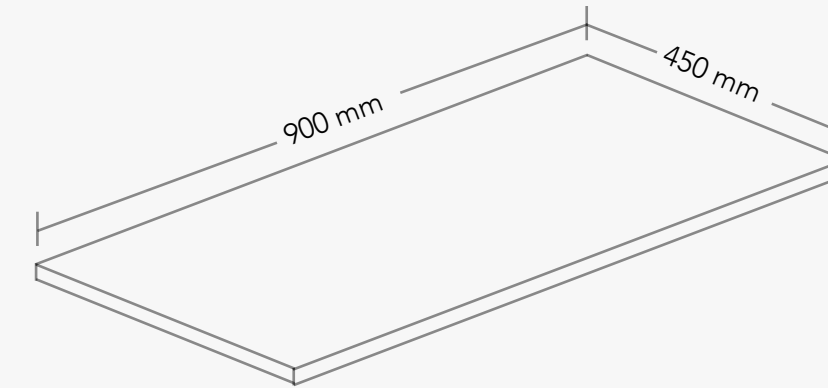

With this collection of Cement and Concrete, we offer you brushed and tinted industrial textures which are particularly appealing to the cosmopolitan millennials. The inspiration being “Downtown Industrial” we move from grittier finishes to more tactile and abstract finishes.

Tonal greys are key which are reminiscent of cement and concrete working well for both residential and commercial spaces.
