INTERSEKT

Intersekt is a home décor boutique offering high-quality premium products including floor & wall coverings and bathroom & wellness products.

With this collection of geometric wall surfaces, the goal is to achieve “**Design as Drama**” with angular designs to entice the sense of interaction.

The aesthetics of this collection reflects luxury, modernity and memorable products, rich with intrigue.

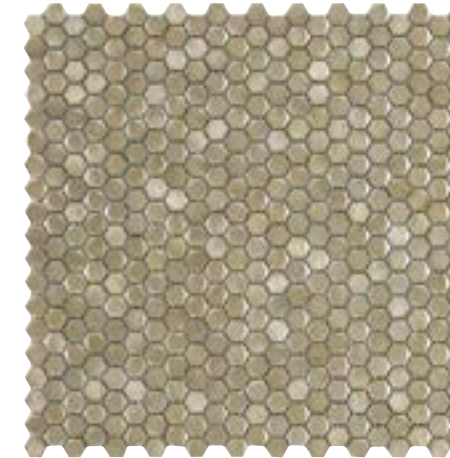

GRAVITY ALUMINIUM SERIES

Brushed Aluminium Mosaics are capable of impressing and providing character and distinction to any surface installed on. Their original aesthetic and irregular surface is a unique option with great character. The light that these aluminium mosaics bring make them a very attractive element to **Define a Space.**

FACES S-SERIES

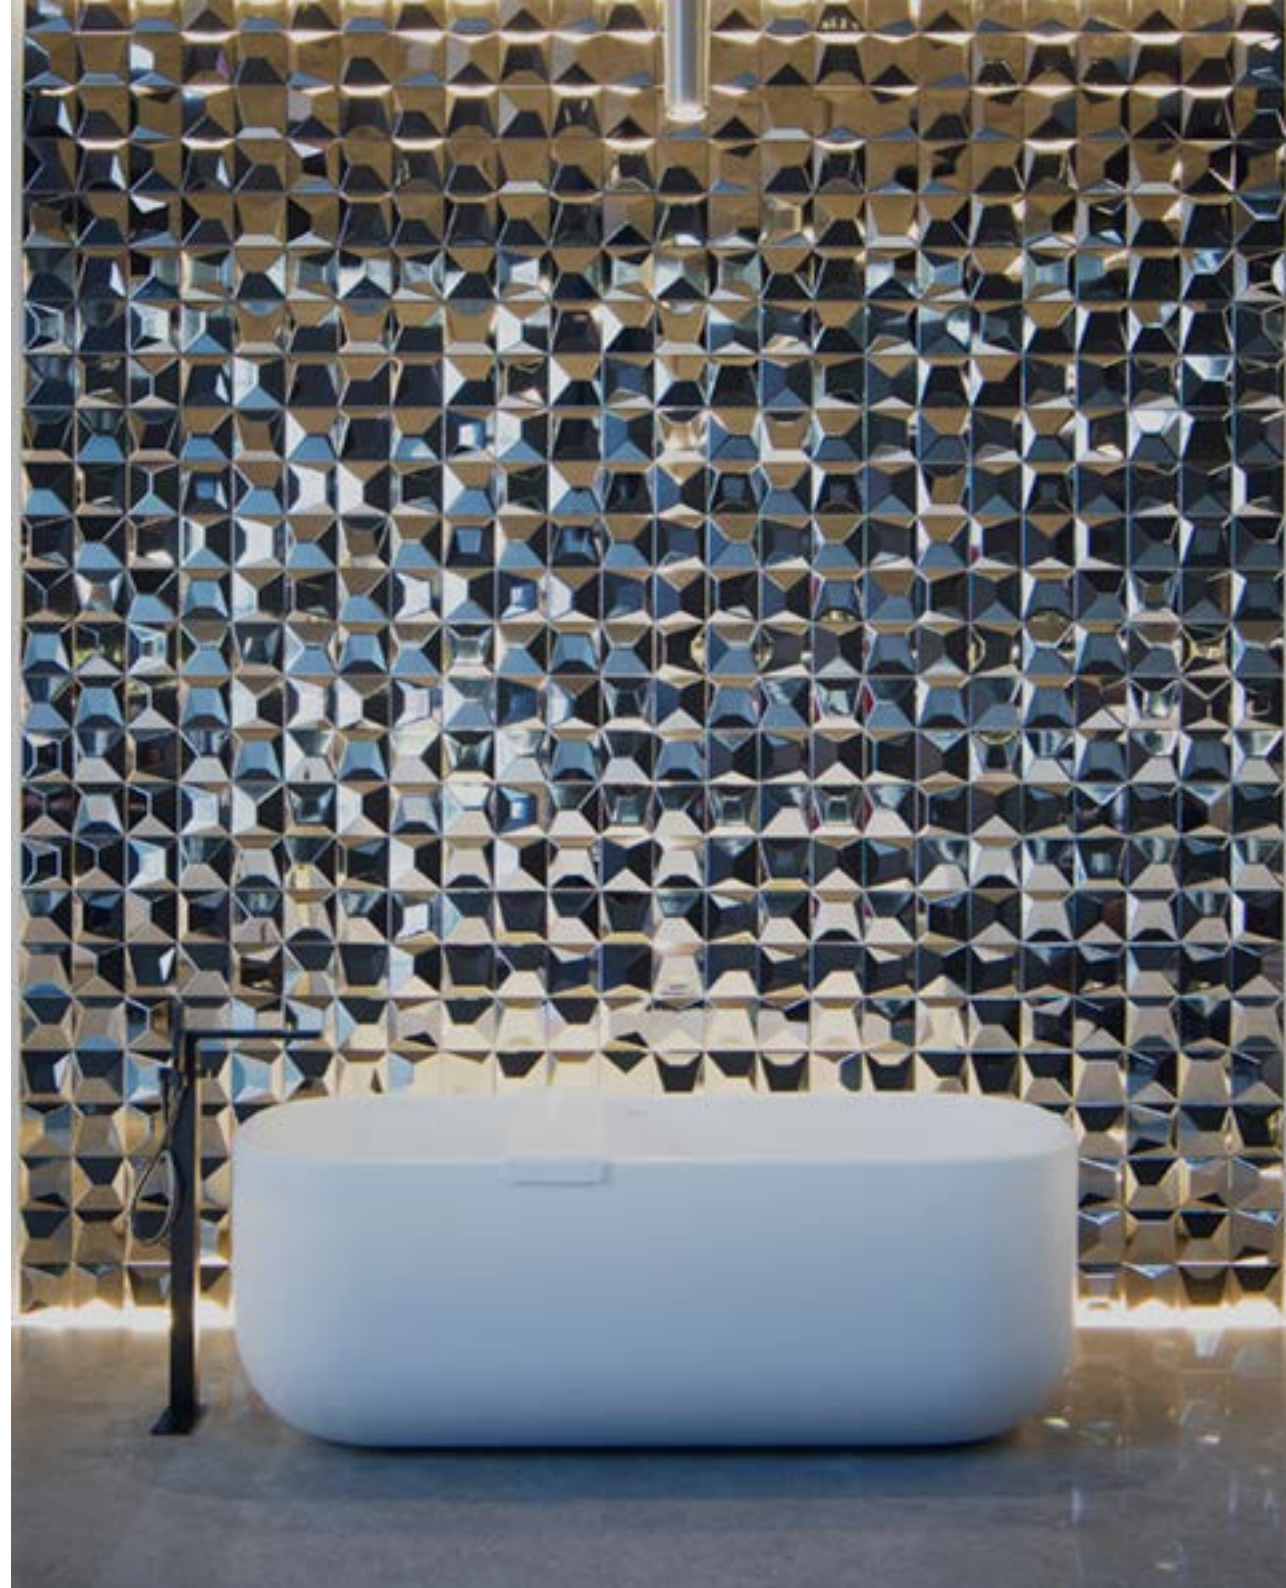

Based on geometrical principles, the new sumptuous series of ceramic wall tiles is an alternative option in interiors to natural stone. It has an irregular polyhedron-shaped structure inspired by minerals.

These 3d square ceramic wall tiles are elegant with geometrical naturalness, which remains full to the brim of the authenticity.

FACETED DESIGN

Sculpted Matte

Faces is a line based on an interplay of intersecting planes creating different sides. It is a line where the edges and corners are the real focal points.

Having high resistance, they are easy to clean and maintain.
